Dear Valued Customer:

Please indicate below at which point you would prefer we take action in the event of a hurricane. We recommend Category 1 sense Hurricanes can strengthen upon landfall.

Hurricane Shutters	Yes	No
Category 1		
Category 2		
Category 3 or higher		
No Shutter Protection		

This is a time sensitive matter. In order to ensure that our records are updated in the computer, please fill out the customer information and either mail or fax (561-842-4300) to us as soon as possible. If we do not receive this information before hurricane season, we will not be able to guarantee that your hurricane protection will be installed prior to a hurricane.
